My dear Trina -

I did enjoy my visit last week so much. Had lots of fun. It seemed dreadfully hard to come away again it always is. The girls had all gone to a lecture when I arrived except me & my roommates - Bessie Snead. I am thankful I escaped the lecture for they say it was dreadfully long and uninteresting.

I unpacked my trunk that evening and told the girls all I did.

Last week the Trinity Glee Club came up and gave a concert after the

concert — dreadfully stupid — they came around to the different houses and serenaded us. That was lots of fun. We threw down flowers and kisses. It sounded ever so pretty to hear them sing in the distance. We did not get to bed that night until twelve at least.

We have enjoyed that jar of jam thoroughly and there is still some remaining for to-night.

Trina do you remember I left a pen holder to be mended in Boston? They were to have sent it in three or four

days but has not yet come and I do not remember the name or address. It was the same place as where you bought Mrs. Upton present. I meant to ask you for the address when I was in Orange but forgot all about it. Anna I have about decided to go to Wellesley on the thirtieth instead of inviting myself to Orange. You remember I spoke about going there and going to a party that Mary Green of Brickenridge is going to give. One of the girls here is going to the Junior Promenade too and will be in the same cottage and another is going to visit someone at Dana Hall. This is not definite but probable. If they both go I shall but if not perhaps I will call on you. I must write several more letters so Good-bye. Lots of love from

Grace.
